

Philips Walita Daily  
Collection  
Blender

**550 W**  
Coconut filter  
3 speeds

RI2104/01

## XL filter: Fresh coconut milk in 2 min

Also for high fibre fruits with stones inside

This special designed filter will help you to prepare fresh coconut milk in a practical way. There is no need to use a separate sieve to pass the milk through. After blending the coconut flesh will stay in the filter.

### **Easy to use for everyone**

- Anti spilling jar
- Integrated power cord storage
- Safety lock on both sides

### **Robust design for long lifetime**

- 2 years warranty
- Anti-slip rubber feet for a solid base
- Unbreakable jar

### **Strong motor even crushes ice**

- Strong 550 W power motor
- 3 Speeds to crush ice and extra coconut milk setting

Blender  
550 W Coconut filter, 3 speeds

RI2104/01

## Highlights

### 2 years warranty

Philips Walita offers a full 2 years warranty for this product to ensure you have long lifetime blender to use every day.

### 3 Speeds to even crush

The 3rd speed in combination with the coconut filter will enable you to make fast fresh coconut milk. The speed of the motor will ensure the coconut flesh is cut very small to extract all the flavour.

### Anti spilling jar

A perfect flow of the juice out of the jar ensures no spilling when pouring due to special jar design.

### Anti-slip rubber feet

This robust blender base comes with anti-slip rubber feet to ensure it does not move, even when you use it for heavy recipes at the highest speed level.

### Integrated power cord storage

Save space with the handy cord storage system under the housing of the blender.

### Safety lock on both sides

Locking indication on both sides to ensure the blender jar is positioned and locked in a right and safe way so that anyone can use it.

### Strong 550 W power motor

The 550 Watt motor is very powerful. It will chop even the toughest ingredients such as nuts, chocolate or even ice.

### Unbreakable jar

Comes with a very strong plastic jar that withstands intensive use.
